

# BELFAST SCHOOL PASTORS

**PILOTING IN  
MALONE INTEGRATED COLLEGE**

*CARING, LISTENING, HELPING*

**Belfast School Pastors** is an exciting new project in conjunction with *Malone Integrated College*.

The idea is similar to 'Street Pastors' - to care, listen and help - this time in a school. School pastors will go into the school at lunch times to get alongside pupils to listen and provide positive adult role models, and as 'salt and light', be a blessing to the school

*caring, listening, helping...*

## Volunteers need to :

- Be 18 or over (no upper limit!)
- Be committed to a church for more than a year
- Complete some application forms & Access NI check
- Be willing to do some training (Oct & Nov)
- Be able to commit to going into school 1 or 2 lunchtimes per month.
