In 2011 Street Pastors was launched in Canterbury and four years on it is now a valued part of the night-time economy.

Together over the last year four years we have made a difference in the lives of the people we have touched with a helping hand, a listening ear or an encouraging word.

The vision of the church serving our city is a reality. We have over 16 different congregations represented in Canterbury Street Pastors. Not only are we united as churches, we also have the support of the Police, Kent and Canterbury Councils.
