THE ASK

- The reason I wanted to come and speak to you today is because Exeter Street Pastors really need more Street Pastors and more Prayer Pastors. We currently deploy every Saturday night. But we don't currently have enough SPs or PPs to deploy every Friday night.
- If you feel God might be calling you to serve in this way and you would like to learn more, please do come and have a chat with me. You can also take a look at the website, or watch the videos on You Tube.
- You can go out and observe for a night to get a feel for what street pastoring involves.
- PPs don't need any training so if you feel called to this, you can be out and deploying as soon we receive a reference from your church minister.
- The training for SPs takes place every Monday night for 10 weeks and will start in February. The applications need to be in by 31 January.
- If you have any questions at all, please do come and have a chat with me.
