

Commissioning

We had a warm and generous welcome from Holy Trinity yesterday (20th May) as a group of Street Pastors arrived to take part in the commissioning of David. He has been coming out with the team for several months now but this was an opportunity to share with his church the work that he has been doing and his calling. A super message for Pentecost!!

Russ led the commissioning with his usual flair and enthusiasm!!

We hope that God blesses the ministry that David has been called to and that the face of God is shown on the streets of Leicester. Keep the teams that go out on patrol in your prayers each week.
