## A letter from our Chair to all Churches in Northampton

Dear Brothers and Sisters in Christ,

Understandably it has been a quiet year for our Street and School Pastors but work has been ongoing in the background with online training, networking, planning, and of course raising funds (any contacts or assistance with the latter is always welcome!).

With the easing of lockdown, limited patrols of both Street and School Pastors have recommenced based on need and availability of team. We anticipate patrols gathering pace from September with the start of a new academic year, schools return, but also university students will start back, boosting the numbers out of an evening in the pubs and bars.

Of course, this important work is only possible through the committed efforts of our volunteer teams of Street and School Pastors. If you are interested in joining with us as we go out on to the streets to help protect and serve our community then we would love to hear from you.

Yours sincerely

**Paul Worth**
