Peterborough Street Pastors

Saturday nights see volunteers from local churches going out into the night time economy. They chat to those they meet – customers, taxi drivers, door staff, licensees and police officers. They can administer first aid, book a taxi or provide water/flip flops

Peterborough Foodbank

We don't think anyone in our community should have to face going hungry. That's why we provide three days' nutritionally balanced emergency food and support to local people who are referred to us in crisis. We are part of a nationwide network of foodbanks, supported by The Trussell Trust, working to combat poverty and hunger across the UK.

Peterborough Night Shelter

From the earliest days of Christianity, church communities have been providing hospitality and shelter for those in both spiritual and material need. This has been demonstrated at the simplest level by Christians showing love for their neighbour and on a larger scale through monastic houses and local charitable and humanitarian projects.
