Know that your prayers are for particular people and situations in their moment of need.

Southampton Street Pastor patrols always have **Prayer Pastors** praying whether it is a night-time patrol, evening community patrol

or school patrol. Prayer requests about individuals and situations flow in from the team on the street and they all rejoice in answered prayer that regularly follows. After 9 years in the community, we are a tool for the churches to pray deeply and effectively for the City.

James 5 v16 'The prayer of a righteous person is powerful and effective.'
