Partnerships

Stirling Street Pastors continue to work closely with Stirling Council and Police Scotland to promote safety and wellbeing in Stirling city centre at night.

Volunteers from our Churches

Our volunteer team is made up of **31** Street Pastors who represent **19** different local churches across the Stirling region. Being a Street Pastor is a powerful way of putting Christian faith into action.

In a year, the team contribute around **1250** hours of volunteering between them as they walk the streets of Stirling City Centre on a Friday and Saturday night between 10pm and 4am, caring, listening & helping.

Welcome Scheme

We have started to roll out the Street Pastor Welcome Scheme in Stirling as a way of connecting people interested in exploring faith further to a local church. Churches sign up and commit to welcome people who have been given an “Invitation to Church” card by the team at night.

Pray

Prayer is the foundation that supports all our work. Sign up to our quarterly prayer newsletter by email here: <https://streetpastors.org/locations/stirling/prayer/>

Train

We have a comprehensive training programme for new Street Pastors that runs each year. If you are a Christian, over 18 and have been a member of a local church for at least a year, contact the Coordinator for further details. Joining a patrol as an observer is a great way to gain some first-hand experience.

Talks

Invite a Street Pastor to your Church or Organisation to provide an insight into our work on the streets. Talks can be adapted to suit your requirements.
