Totnes Street Pastors Spring Newsletter 2021

We restarted our shifts on April 16th.
Currently we can cover 2 Fridays per month.
We are starting earlier at 8pm in order to touch base with our young people and indeed be around during the outside only hospitality rules. Our young people were very appreciative of the Stay Safe cards that we gave out.

These have helpful numbers and advice about planning your evening and staying safe.
We also emphasised, that if they did need to call for help, they would not get into trouble, which is so important if something goes wrong and there is a panic. At the April stage of the Lockdown lifting only a few restaurants and pubs with outside spaces were opening and by 10.30/11pm the areas and the streets had completely cleared .

We had our second shift after May 28th when indoor hospitality had opened up.

Although busier, the town was peaceful.

Plenty of people were out and about but around 11.30 most people had made their way home.

We shall be out in June especially on the Friday covering the G7 w/e when the police may be stretched, and at the end of June when full reopening may have happened after June 21st .

We continue to wear (Street Pastor branded!) face mask especially when approaching the public, out of respect and concern for public health.

We inform Sgt Rob Wilson whenever we have a Friday night team out on the streets.

The building of a new skate park still has issues re location to be resolved. Please pray about this, it is so important that our young people have a quality space to use.

From Sgt Rob Wilson

Liz,

Many thanks for your continued support. It is massively appreciated. There is a definite increase in alcohol related incidents and it is only going to continue to rise.
