Please pray for A who works locally. He's very stressed about trying to bring his wife (and child?) over from Turkey and about her chances of employment if/when she comes over.

Met V who is sleeping rough. The SPs gave him a sleeping bag. Pray for his safety.

SP's had a long talk with some bouncers at a bar. The bouncers were feeling the effects of their job and said they felt worn down by dealing with so many drunk people.

Please pray for peace and safety on the streets of Tunbridge Wells.

# School Pastors report from the Co-ordinator, Hollie Butler.

- ▶ *School Pastors hit the scene of Uplands Community College two weeks before Christmas holidays in December 2017 and we've had a great time. On Monday lunchtimes we have been going into school to chat to the students. We start off in the staff room where we check the communication book for any messages from the staff, then we head for the busiest areas. During the colder weather we have braved it outside with the students. We ask them about their weekend, and their hobbies, school work and ambitions. When they ask us, what is a School Pastor, our simple answer is that we are there to listen to them and to help make the school a happy place to be. Sometimes they seem quite surprised that we would volunteer to do this in our free time. Please see our website for more information.*

Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God.
